Roger,

With regard to PWS connections,

- there are two that are complete - Everson (Loc # 151 in WW – 31 and pink symbol on the map) and Hooper (Loc # 224 in WW – 31 and pink symbol on the map)
- two in progress - Sciance (Loc # 456 in WW – 31 and pink symbol on the map) and Showalter (Loc # 702 in New HDC and pink symbol on the map)
- there are an additional 4 that are deciding, 3 in the NGA tab ( Loc #s 706 and 710 (both pink symbols on the map), and 712 (blue symbol on the map) and 1 not yet on the map (Loc # 312 in NRDO-Pre HA). The colors will be edited once these folks make up their minds.

Moving forward, pink symbols will be those which are PWS connections and we will add a note to the map.

Kathy
